

Your Solid Waste Services Don't Stop with Curbside Collection

Hillsborough County residents can dispose of up to 10 cubic yards of solid waste materials that aren't collectible at the curb at Community Collection Centers (CCC) as part of your annual solid waste assessment. Additionally, the CCCs accept limited quantities of paint, household electronics, and rechargeable batteries. You just need a photo ID and the latest tax assessment for your property.

Your annual solid waste assessment also includes Household Hazardous Waste collections and yard and wood waste disposal. Visit HCFLGov.net/Trash or call **(813) 272-5680** for more information about CCCs and other services.
