

As Of 02/01/2020 – Updated 03/26/2020 ABERDEEN CREEK HOA WEBSITE MAINTENANCE

The Aberdeen Creek HOA website URL was changed on January 30, 2020 to:

www.aberdeencreekfl.com

The previous URL www.aberdeencreek.com was in a “redemption” status with ICANN – it would have cost \$150 to redeem and reactivate it -- and we might have lost the URL when it become available to be reused in late March, 2020.

The previous URL became inactive due to nonpayment by Webmasters through no fault of the HOA – Webmasters stopped billing for the URL and was not paying ICANN.

The new URL is now registered through GoDaddy and must be renewed periodically – the next renewal date is 01/31/2021 at which time a 5 year renewal should be considered. **A new GoDaddy account has been established to own this domain .. username, account #, password in the HOA files of Clifford Reiss, HOA Treasurer with 2-step authentication to Clifford’s cell phone and billing to Clifford’s credit card.**

The original URL was “purchased” and re-activated on behalf of the HOA On 03/26/2020 so that we do not lose any information going to the previous URL and to prevent mis-use of the previous URL by someone attempting to impersonate our legitimate website.

Hosting of the HOA website is still handled by Webmasters – the login name is “Aberdeen” and the password is “xxxxxxxxxx”. The website was moved to webmasters new server platform so access to administrative functions has changed .. see below.... **Hosting is paid thru 08-31-2021**

Maintenance of the website is accessed at the following URL:

<https://214.webmasters.com/4admin/>

Functions do not work properly using EDGE – instead use Chrome

An alternative path to the website is:

http://66.230.233.145/*aberdeencreekfl.com/httpdocs/
